Numbers can be exchanged for a drink and cake in the village hall after the event where the result board will be located.

Please note that the start of this course is about 1.6 miles (mostly downhill) from the village hall. After finishing please continue on the A172, taking the next left to Stokesley and then turning left to arrive back at start.

Local Restrictions / Parking

Cars should not be parked at the start. There is limited parking outside the village hall but there are many spots around the village green in Seamer. Please be considerate parking close to properties and be aware that the road outside the hall is access for a farm where some wide vehicles may need to pass. Please do not use turbo trainers within 100m of inhabited properties. No U-turns within sight of the start line please. The road between the village hall and the start provides plenty of opportunities for warming up.

Please keep the sport safe and hope everyone has a good ride!
