

# Across the USA Cycle challenge

**Thursday 15<sup>th</sup> October, 7pm, Marton Library**

We are pleased to welcome Peter Howe to Marton library. He is a very popular local speaker, who has experienced great adversity and turned it into fantastic charity work and given him an insatiable appetite for life.

Peter will talk about how this led to him cycling across the USA, covering 4,381.69 miles in 66 days, losing 2 stones in weight, sitting down with Indian chiefs and much more.

To secure your place please put your name down at the library to avoid disappointment. We ask for a small contribution (£2) to help cover the costs and you will be offered a drink. Note that a share of the money will be donated to the speaker's charity of choice, Toma fund and A Celebration of Life after Cancer. Peter will talk a little about them too, if you like.
