

League 2000 Round 5 - 5 June 2017.txt

A wet windy night greeted 76 riders and officials for the 5th round of this years League 2000. However this did not deter the entrants from putting on some excellent racing. 15 PB's were recorded in the time trial with Jack Browns improvement of 29 secs being the biggest on the night. Euan Sanderson posted the fastest time of the night with 75.90, very closely followed by Ben Massey in 76.70 with Samuel Rea 3rd in 76.80,

The skills stage went to Lewis Dolan whose time of 35 secs was enough for a clear victory ahead of Kacey Eyeington's 40 secs and Joel Hurt's 43 secs.

Ben Etherington stormed, literally, to victory in the 5 lap race pulling away from 2nd place Oliver Gatenby and 3rd placed Matthew White on the last lap. 4 laps winner was Owen Massey finishing ahead of Josh Jewitt in 2nd with Holly Dixon coming 3rd.

Fin Godber took the glory in 3 laps beating Alex Young to the line with Rebecca Mayes finishing 3rd. 2 laps victory went to Finlay Smith in a close sprint with Sean Dolan, Abigail Stephenson a bike length behind in 3rd. In the small laps races Tom Wilson took the glory in a clear victory ahead of Isabel Savil 2nd and Ben Turnbull 3rd.

Next Round this Monday

We did have some trouble in that the hand basins in two of the toilets were deliberately blocked with toilet paper and the taps left running thereby flooding the cabin. A toilet bowl was also blocked with a full toilet roll which again flooded the area. I have been organising this event for 20+ years and have never had any problems in this manner. It was a willful act of vandalism so much so I do seriously think about packing the whole show in. I know it is only 1 maybe 2 people but that is enough. Currently I am thinking that the toilets will be out of bounds in the cabin as there are toilets in the main block.
