

League 2000 Round 7 - 19 June 2017.txt

Another warm but calm night greeted the 87 riders for Round 7 of the League 2000. The fact that there was no wind enabled a harder skills test to be set. The top 3 on the night were Lewis Dolan in 40 secs, Harrison Lee, 46 secs and Connor Eyeington 50 secs. However the warm conditions were not conducive to fast times with only 16 PB's. Annie Kirtons 36 sec. improvement being the best, Dad is going to have to do some extra training to keep up. The fastest were Connor 69.7 secs, Lewis 75.5 secs and Euan Sanderson 76.8 secs.

Harrison Lee outsprinted Connor to win the 5 lap race with Euan a close 3rd. The 4 lap event saw Aiden Colmer off the front mark never getting caught as he beat Adam Makepeace into 2nd and Holly Dixon 3rd. A storming finish from Fin Godber saw him crossing the line 1st in the 3 lap race Rebecca Mayes coming in 2nd and Ben Turnbull 3rd.

Newcomer Zed Handley from South Shields was winner in the 2 lap event well clear of Finlay Smith and Edward Redshaw who finished 2nd and 3rd. Another 1st timer Martin Best was victor in the 2 small laps with Isabel Savil finishing 2nd ahead of Tom Wilson

Once again the conduct of riders during the road races has been called into question. In the 2 lap race a rider was holding his arms out to try and stop riders overtaking and in the 5 lap race another rider was elbowed onto the grass, needless to say that these were out of sight but two separate riders reported the elbowing incident.

PLEASE, PLEASE can we just have races where all riders race in friendly but competitive way after all it is the League 2000 and not Le Tour.

See you all on July 3rd
