

## **CLEVELAND WHEELERS EVENING TIME TRIAL SERIES 2019**

After a couple of years of declining numbers it was fantastic to see so many turn up to ride the events, helped in no small way by the newly introduced Road Bike Category. The series can only run with the help of the members who ride organising, timing and marshalling.

A big thank you must go to: Bill Millen, Derek George, Ian Hutchinson, Colin Moore, Dave Kirton, John Main, Steve Tilly and John Kelly for their efforts over the season.

As usual road works and the weather tried to disrupt us from our schedule but to no avail a great season of time trialling took place. We were grateful to our local pro racer Harry Tanfield coming along one evening to set a new course record of 17:22!
