## Agenda Items

- British Cycling are running an accredited marshals course. DK to email membership to see if anyone is interested.
- TT dates are all in, MS to investigate alternative {non CTT} arrangements for insurance to run events.
- Club needs to look at Development Plan (young volunteer, female coach, racing).
- Bring & Buy was a good evening £134.20 raised for charity. The event ran a £40 deficit, which is acceptable.
- Places To Ride - attempt to reclaim money for coaching training was unsuccessful as the grants are for equipment rather than coaching fees. Second attempt will be made, this time for "equipment" (which JG actually needs).
- Evening Series - new clocks to be bought,
- CX – Atrocious weather( as usual) but track successfully cleaned and no disruption to training the next day. Next year run event not under CXNE banner. Also run a Go Ride kids CX event. Maybe also a Summer Series (all ages)
- Prize Evening – No date yet, trophies need to be returned.
- Race Team- working on recruitment (5 riders, maybe?). Check if Charlie T has MBMRR trophy (as he was last known winner). TDF "Beefeaters" sponsorship?
- Ride Etiquette Guide- NS to review..
