Introduction & History

FAB Racing League began in 1997 – founded by Stephen Binks & Norman Bielby. Rebranded as the League 2000 in the year 2000.

From 1997 – 2010, it was held at Teesside Autodrome, until Middlesbrough Sports Village Cycle Circuit was built for the 2011 season onwards (excluding 2020), our current home.

The series started with 6 rounds (1997), then 8 (1998 – 2000, 2021) and then 12 (best of 10) (2001 – 2019, 2022 - 2023). The current format sees us run 10 (best of 8) from 2024 onwards.

The series entry fee started at £2 per round (1997 – 2002), £3 (2003 – 2014), £4 (2015 – 2016) and since 2017, it has remained at £5 which is the current entry fee.

Over the years, a League 2000 team was formed to keep up with the League' s popularity. This continues to grow and evolve year on year.

- Thank you to all youth riders for taking part in this year's series!
- There has been some great cycling on showcase during all events, in the skills, time trial and racing, making for some closely contested battles across all age categories.
- It's nice to see such positive attitudes and sportsmanship as this is exactly what the League 2000 is all about! Let's keep this momentum going for the 29th edition of the League 2000 in 2026!
- A huge thank you to the League 2000 team and all volunteers for your hard work and efforts across the series - we wouldn't be able to run these events without you!

Thank You
& Goodnight.
Have a safe
journey home.
